#### A Void

A Void, translated from the original French La Disparition (literally, "The Disappearance"), is a 300-page French lipogrammatic novel, written in 1969 by Georges Perec, entirely without using the letter e (except for the author's name), following Oulipo constraints.

#### A Void - Wikipedia

A Void is a literary feat: it is, in short, a novel written without a single E in its 300 pages. While Life a Users Manual is considered his magnum opus, A Void stands as a triumph in taking a constraint, the lipogram, and making it work in long form fiction.
