Accountability in Restorative Justice by Declan Roche

Accountability in restorative justice. Roche, Declan. In reviving the idea of an informal approach to conflict resolution, the Restorative Justice movement attempts to break out of the predominantly punitive thinking which shapes modern criminal justice. Its proponents claim that its guiding ideals - personalism, participation, reparation, and reintegration - deliver a fairer, more effective, and more humane justice than does the court system.

Accountability in restorative justice by Roche, Declan

"Examining the experiences of 25 programmes in six countries, Accountability in Restorative Justice uncovers a number of neglected, overlapping, and incomplete types of accountability, including the informal type built into deliberations between victims and offenders and their supporters.

Participation in a restorative justice process is voluntary. All participants must be committed contributing in good faith. Anyone may decide to terminate the session at any time. Check out our Fiscal Year 2018 Annual Report for the Alternative Accountability Program. Restorative Justice Services

Fairfax County Alternative Accountability Program - NVMS

We developed Accountability Circles as a practice for students who are referred to our agency, either by juvenile probation or schools, for a restorative conference process, but who needed additional support to fully engage with this process. These weekly two-hour circles are an opportunity for youth to reflectively examine their life choices and make decisions about how they would like to guide their own future.

The Accountability principle of Balanced and Restorative Justice asserts that juveniles who commit crimes in Pennsylvania incur obligations to their victims and the communities they harm. The juvenile justice system's role is to provide opportunities for juvenile offenders to be held responsible to repair the harm caused by their delinquent behavior.

Accountability

Restorative justice - OPA will help reduce barriers to trust that have been created by systemic inequities in the criminal justice system or that cause disparate outcomes.
