### An Introduction To Animals And

Animals are a diverse group of organisms that make up the kingdom known as Animalia. They are a very familiar group of organisms and are the very kingdom of life that humans belong to. In this introduction to animals we will cover the difference between vertebrate and invertebrate animals and introduce a range of animals from both groups.

Animal Farm: a tract with a political motive. Animal Farm, like the first book of Gulliver's Travels (a satire on Queen Anne's court), began as a tract with a political motive. Farmer Jones's Manor Farm is an Orwellian Lilliput, satirising the pretensions of the Russian Revolution of 1917 and its prompt corruption by a new, more ruthless power elite than even the Czarist regime under ...
