MAKING ETHICAL DECISIONS Chapter 4 Thursday 17 May 2012 3. A model for making moral decisions Rae suggests the following procedure for making moral decisions - within this his work is not to get you to the “right” answer but to help you ask the right questions in your ethical deliberation.

Rae, Moral Choices: Ch4 - Making ethical decisions

Decision making refers to making choices among alternative courses of action—which may also include inaction. Not all decisions in life have major consequences or even require a lot of thought. For example, before you come to class, you make simple and habitual decisions such as what to wear, what to eat, and which route to take as you go to and from home and school.
