John J. Nance - Wikipedia

Documentation and charting is an essential part of the job for all healthcare professionals including nurses and nursing students. As a nursing student, it is best to learn the correct way of charting from the start. Getting into the right habits early in your nursing career, might save you from headaches later in your career.

CHARTING THE COURSE: LAUNCHING PATIENT-CENTRIC HEALTHCARE THE BOARD'S PIVOTAL ROLE IN PATIENT SAFETY The Bottom-Line Benefits of TEAM LEADERSHIP TRAINING - Proven Pathway to Minimizing Errors and Maximizing Quality Believing in ZERO HARM!

John Nance | Author, Public Speaker, Aviation & Healthcare ...

Focus on the patient and give them your undivided attention and assessment skills. Chart directly AFTER your patient encounter, exit the room (or stay in) and set aside 5 minutes or so to chart everything that occurred right outside the room. This accomplishes a few things: Everything is FRESH in your mind, and your charting will be more accurate.
