specifically rhetorical response to complicated forces in individual lives. Through it, Feminist Rhetorical Resilience widens the interpretive space within which rhetoricians can work.

Project MUSE - Feminist Rhetorical Resilience

Collectively, the contributors to Feminist Rhetorical Resilience create a robust feminist conception of resilience as a complex rhetorical process. Too often resilience has been associated with psychological characteristics inherent in some individuals or cultures and absent in others. We demonstrate, however, through the seven essays, responses, and reflections included in our book, that a feminist conception of resilience is best seen not as fundamentally psychological but as rhetorical, ...
