Argumentative Essay Fast Food Nation. Fast Food Nation Essay!The food that we eat today is far different from what it was just a century ago. The way we consume our food has changed more in this last 100 years than it has in the whole history of humanity. Food is what fuels your body, so in a sense, you are what you eat, but it goes deeper than that. It is very important to know where your food ...

Excerpt from Essay : Unhealthy Food
There are multiple issues at the heart of the idea that there should be bans on junk food. The surface-level issue is that there is a point at which our free will is being corrupted by external interests, and that government as another external interest can act to counter these influences. The other major underlying issue is actually public health.
