Jack Schwager demystifies technical analysis for investors, introducing them to oscillators, price-and-time charts, on-line charting applications, and much more.

### Getting Started in Technical Analysis | Jack D. Schwager ...

This book in the "Getting Started in" series was written by one of my favorite trading authors Jack Schwager. While I did not like the "Getting started in options" book in this series (written by another author) I thought Schwager went above and beyond not just clearly explaining technical analysis to the new trader but also how it fits into a viable trading strategy with trader psychology.
