This book is the classical "Glimpses of World History" by J. Nehru and not by J F Horrabin. The later has added informative stuff like maps, only. The copy is from the 1949 edition and looks a little worn out by the time. But it is without any signs or notes written on its pages. Helpful.

Lost in Thought...: Glimpses of World History- A Review

This remarkable book consists of letters written during one of Nehru's periods of imprisonment. Relying almost wholly on his memory, he gave his young daughter, to whom these letters were sent, a three-year course in world history. The work is interesting as an Oriental interpretation of man's progress.

My father's three books — Glimpses of World History, An Autobiography and The Discovery of India — have been my companions through life. It is difficult to be detached about them. Indeed Glimpses was written for me. It remains the best introduction to the story of man for young and growing people in India and all over the world.
