It is also one of the most difficult and controversial texts in the New Testament, and Christians of different denominations have disagreed over its meaning for the past 500 years. Paul's Rhetoric in Its Contexts gets behind and beyond the various theological debates that have overly colored the interpretation of Romans in recent, even ecumenically-minded, commentaries in a way that is new and perhaps truer to Paul's actual concerns and arguments."--Jacket.

Paul and Ancient Rhetoric: Theory and Practice in the Hellenistic Context deserves commendation for the outstanding number of classical sources it brings to bear on the topic under consideration and for the breadth of methods illustrated in the papers assembled by Porter and Dyer. While some approaches will be considered less persuasive than others, the volume as a whole serves well to illustrate both the strengths and the limitations of a discipline which has come of age.

There is a rhetorical context--how Paul crafts his argument; and, a social context--how we are to hear Paul's argument within a real life environment (i.e., Rome, the church community of Paul's day). I highly recommend Tobin's volume on Romans because it is a superb example of how to examine, exegete, and listen to a Bible book.

## **RETHINKING PAUL'S RHETORICAL EDUCATION**

The rhetoric of Romans as a model for preaching the Gospel in Rome In the last decades the exegesis of Romans has moved away from a doctrinal interpretation, which took Paul's teaching as timeless truth without asking to whom and for what he was writing. Instead, attention has focused on the letter's purpose(s) in the context of Paul's missionary work.
