Petey Ben Mikaelson

At the age of two, Petey's distraught parents commit him to the state's insane asylum, unaware that their son is actually suffering from severe cerebral palsy. Bound by his wheelchair and struggling to communicate with the people around him, Petey finds a way to remain kind and generous despite the horrific conditions in his new "home."

Petey by Ben Mikaelson

Ben Mikaelson does not possess the talent to be writing a book about cerebral palsy. His words are clumsy and pedestrian, his characters are paper dolls, his pacing is non-existent, and his sense of plot is amateur at best.
