Runaway World How Globalization Is

Globalization. We live in a world of transformations. Globalization has something to do with the thesis that we now all live in one world. You have sceptics, that oppose this view and radicals that argue that not only globalization is very real, but that its consequences can be felt everywhere. Kenichi Ohmae is saying that nations have become mere fictions.

Runaway World - Anthony Giddens - Google Books

In his book Runaway World, which is based on a series of BBC Reith lectures he gave in 1999, renowned sociologist and intellectual Anthony Giddens asserts that, yes, we do live in a 'runaway world,' a world that we find constantly slipping beyond our control. The crux of his argument is that those institutions and avenues we employ to create certainty for ourselves are paradoxically the ...
