Nora insists they retreat to Summer Island in the San Juans, to the lovely old house on the water where Ruby grew up, a place filled with childhood memories of love and joy and belonging. There Ruby is also reunited with her first love and his brother. Once, the three of them had been best friends, inseparable.

### Summer Island - Kristin Hannah

Hannah always creates moving books and I love that her novels are set in the Northwest. Entertaining and satisfying, Summer Island is a compelling story about mothers and daughters. This novel like her others has an element of sadness and disension but makes you enjoy the ending and root for the characters.
