Surgery Talks is a podcast of surgical topics, aimed for surgical trainees and senior medical students.

The Surgery Talks Podcast

SURGICAL TALK There is no doubt that the best performers in finals are those candidates who think logically, express themselves clearly and avoid putting their foot in their mouth by saying something stupid. Their depth of knowledge is not necessarily greater than that of their fellow candidates, but they do

Surgeon and inventor Catherine Mohr tours the history of surgery (and its pre-painkiller, pre-antiseptic past), then demos some of the newest tools for surgery through tiny incisions, performed using nimble robot hands. Fascinating -- but not for the squeamish.

Catherine Mohr: Surgery's past, present and robotic future ...

Mitch Ames (talk) 22:02, 16 May 2011 (UTC) It is highly questionable to rename the Article title---the Editors have "logically" (and correctly) used "surgical" because that term is a specificity about the human sterilization procedure (surgical operation). Readers are not going to be dissuaded by correct usage of the term "surgical".

Talk:Sterilization (medicine) - Wikipedia

Origins? I heard the term "surgical strike" before the gulf war. While it may have been a phrase used often in the gulf war, it did not originate there.Vedexent (talk • contribs • blog) 18:24, 25 June 2006 (UTC) . civilian lifes.
