### **Technical Communication Lannon**

She holds an M.S. in technical communication and a Ph.D. in communication and rhetoric from Rensselaer Polytechnic Institute. She is author of two books from Yale University Press (1997, 2001), the earlier of which was the first book-length work to study online communities and Internet-based social actions.

### **Amazon.com: Technical Communication (13th Edition ...**

Technical communication is apparently supposed to be about making someone take action. The book talks about making things concise and motivating. It really needs to practice what it preaches. Also, some of it seemed extremely outdated (maybe i
