### **The Designful Company How To**

I'm a big fan of Marty Neumeier's short and pithy book The Brand Gap, but The Designful Company didn't quite live up to the quality of its predecessor. The first half of the book is full of catchy but shallow marketing-speak about the importance of orienting companies around design practices, but it fell far short of being actually persuasive.

“A company can’t ‘will’ itself to be agile... To count agility as a core competence, you have to embed it into the culture... It’s one thing to inject a company WITH inventiveness. It’s another thing to build a company ON inventiveness. To organize for agility, your company needs to develop a ‘designful mind.’” (Click to enlarge)
