An eye-witness to many of the events he records, Priscus's history is a sequence of intrigues, assassinations, betrayals, military disasters, barbarian incursions, enslaved Romans and burning cities. Perhaps because of its gloomy subject matter, the History of Priscus was not preserved in its entirety.

Priscus, born at Panium in Thrace, probably quite early in the fifth century, wrote a history in eight books, but of that total, only fragments survive. The fragment presented here details a visit in 448 by Priscus himself to the court of Attila and offers a picture of the Huns that differs markedly from other
