### The Handbook Of Group Play

The Handbook of Group Play Therapy gives therapists the tools they need to help children as they experience the exhilaration, fear, joy, and frustration in discovering the world around them as they learn about themselves and others.

### The Handbook of Group Play Therapy: How to Do It, How It ...

Group play therapy is so very different from individual play therapy. This book gives a great overview of different theories of play therapy and what group play therapy is like from the perspective of each theory. I found it very informative. It covers Adlerian, Child Centered, Jungian, and many others.
