Each day, dedicate a few minutes to the move(s) on the squat challenge calendar—but keep up with your usual workout routine. On the last day, do the total-booty boot camp for your workout and feel the lower-body burn. Step 1: Master proper squat form. Step 2: Commit to dropping it low for just a few minutes each day during this squat challenge.

The 30-Day Squat Challenge That Will Totally Transform ...

There are many ways you can increase the intensity of your squat by adding weight. Whether you have access to a full gym or you're more of a workout-at-home kind of person, adding weight can be great for adding muscle, toning up and just challenging yourself overall. The barbell back squat This is the variation pictured above.

Bigger Butt at Home from The Squat Challenge

Follow the squat challenge as normal, but drop in the Beginner Bodyweight Workout every other day (as I suggest in the ebook). Don't double up on squats on the days you do the BBW, though. Instead of doing 10 reps (as per the guide), do the amount you should be doing as part of the squat challenge. If it's a rest day, don't do any whatsoever.

Take On The Bodyweight Squat Challenge That Works ...

5) Squat until your hip joint is lower than your knees and never let your knees go over your toes. 6) Pause then lift back up and squeeze your glutes as you move back to the starting position. How To Do Advance Variation Of The Squat See how to do dumbbell sumo squat for an advance variation of the squat. 30 Day Squat Challenge Instructions
