Transitional Justice and Reconciliation: Theory and Practice 407 2. Transitional Justice: The Emergence of a Paradigm The concept of transitional justice stems from the international human rights movement. At first, it referred to the judicial process of addressing human rights violations committed by

Transitional Justice and Reconciliation: Theory and Practice

This chapter examines the utopias called forth by the marriage of human rights accountability mechanisms on the one hand, and, on the other, arguments about the practical significance of these initiatives as preconditions for development, democracy, and political society. Transitional justice is seen to marry the ethical charge of the human rights field's march against impunity, with an ...

Transitional Justice Theories - CORE

Transitional justice consists of judicial and non-judicial measures implemented in order to redress legacies of human rights abuses. Such measures "include criminal prosecutions, truth commissions, reparations programs, and various kinds of institutional reforms". Transitional justice is enacted at a point of political transition from violence and repression to societal stability (or at times ...
