Papers on all aspects of astronomical history are considered, including studies which place the evolution of astronomy in political, economic, and cultural contexts. Papers on astronomical heritage may deal with historic telescopes and observatories, conservation projects (including the conversion of historic observatories into museums of astronomy), and historical or industrial archaeological investigations of astronomical sites and buildings. All papers are refereed prior to publication. There are no page charges and authors receive 25 offprints of their paper free of costs.

Contributions should be sent to the Editor, Dr Wayne Orchiston (preferably by e-mail at: wo@aaopep.aao.gov.au), Anglo-Australian Observatory, PO Box 296, Epping, NSW 1710, Australia and queries regarding subscriptions, book reviews, and production should be directed to the Director, Dr Graeme White, Centre for Astronomy, James Cook University, Townsville, Queensland 4811, Australia.
