

**“Institutional Integrity Pledge: Upholding Trust and Transparency
at the National Astronomical Research Institute of Thailand”**

.....

The National Astronomical Research Institute of Thailand (Public Organization) aims to manage the organization with integrity to instill trust and confidence in society. As administrators of the institute, we declare our commitment to fulfilling duties and managing affairs with a sense of conscience and awareness of existing responsibilities. We intend to carry out our responsibilities with honesty, transparency, and accountability, subject to thorough ethical evaluations. We adhere to principles of ethical management and declare ourselves as an entity where all administrators and staff pledge not to accept any gifts or rewards of any kind related to their duties, both before and after performing their tasks, to prevent corruption and misconduct in the present and future. Additionally, we pledge to resist all forms of corruption to cultivate values of honesty and transparency within the organization, making it resilient and sustainable.

Therefore, this declaration is made known and is to be universally adhered to with strict compliance.

This announcement is made on January 10, 2024
